*I would not have you weep for me  
Nor fret and wish me back again  
I have journeyed on and here I'll wait  
Free from all life's strife and pain*

*Those gone before, I've met again  
And here we'll chat awhile  
And when time has passed a little more  
You'll walk that golden mile*

*To join us here, in heavens rest  
A place of no more tears  
All sorrows pass, but love remains  
To comfort all our years.*
