

If I had of known about that day,
I would have exchanged your life for mine
If I had of known you'd go away
And there'd be no more time
I would have wrapped you up in my arms
And never let you go
I would have smothered your face with kisses
And beg for time to slow.
But I didn't get to say goodbye,
Or reach for one last touch.
I can only scream into the sky
That I love you oh so much.

Tim, Karan, Jorja and our families would like to thank you for the love, support and kind words of sympathy which have been shown to us during this time. Following Jamie's committal at the Yuleba Cemetery, the family invites you back to the Yuleba Memorial Hall for refreshments and to share memories of Jamie.
